What's New

Awareness Conference

We put on an awareness conference every other year for local law enforcement, probation, prosecuting attorneys offices, attorneys, church leaders, and concerned community members.

At this years event attendees got to hear Dottie Davis speak on "Responding to and Understanding Domestic Violence". Law enforcement also gained ILEA hours for attending. This years conference topics covered best practices for law enforcement response to DV calls, correlation of domestic violence and sexual assault, domestic violence offenders and felonious assault or killing of law enforcement, documentation of and arrest for strangulation, correlation between dv and animal cruelty, Indiana Laws including the Mandate to Prevent Further Violence, Civil liability for law enforcement with case specific examples.

Annual Car, Truck, and Bike Show and Silent Auction Fundraiser

This is our 3rd annual car, truck, and bike show but we have added a small silent auction this year! We have lots of fun donations to bid on some being merchandise and a kayak trip from the Trading Post Outfitters in Mongo and vehicle detailing kits from local body shops. We also have live music from DJ TK and plenty of food trucks for whatever your craving. The event will be around the Lagrange County Courthouse from 2-5 PM. Please come out and support Elijah Haven. Vehicle registration is by donation. Can't wait to see you there!

New Location

We are growing! Elijah Haven has steadily grown in programs, services, and even into other counties, because of this it was time for a move to a bigger office. But don't worry we will still be close by. Our office will now be located at 2575 IN 9 in LaGrange which is also where LaGrange County Reginal Utility District is located.

Summit City Climbing Co. Fundraiser

New to Fort Wayne, Summit City Climbing Co. is a bouldering climbing gym! Summit City is a community focused organization supporting non profits through fundraisers and individuals who serve the community through their work through reduced pricing.

September 26th Summit City will be donating all proceeds from day passes purchased through a specific link to Elijah Haven so we can buy a new dishwasher for the shelter. If you or someone you know is interested in climbing please go to our Facebook page, find the event page, and click on the link listed to purchase a day pass!
